

# Green Earth Awakening Workshop Proposal Form 2017

For all workshop enquiries contact Rosie with [rose@buddhafield.com](mailto:rose@buddhafield.com)

**The Green Earth Awakening Camp** runs as a Charity Fundraising Event, supporting wider Buddhafield Collective projects such as Buddhafield Retreats, maintenance of land and supporting individuals and groups engaged in social change. The Collective also provides a context to practice as a Buddhist Right Livelihood, for many teams of practitioners on a full time, part time and voluntary basis. We run on a currency of generosity and with an ethos of 'give what you can, take what you need'.

You don't need to be a Buddhist to be involved with the camp, however we ask that you support our principles of providing a safe, inclusive, warm hearted space that is both drink and drug free.

**This year's theme;** Embracing Simplicity. Let us strip back our complicated desires of possession and consumption to embrace our wilder selves. To simplify our lives does not lead to sacrifice and limitation. We will find ourselves fuller, wiser and with an enriched clarity of purpose.

**We would be grateful if you could answer as many questions as you can in the following proposal form, as this will save us time and energy in the future.**

Please do not call the Buddhafield office, as you will only be redirected to the above email address.

Thank you for your time, and generosity.
